

NUME is a collection of adjustable-height tables designed for flexible use anywhere, both at home and at work. NUME tables are ideal for times when you need to have a laptop or tablet handy, write something or simply put down your coffee cup. The adjustable height allows it to be used next to a sofa, an armchair or a chair. The tables are produced either in a round format in two sizes or rectangular in shape. The table tops can be in oak veneer, lacquered in colours or in black-coloured FENIX HPL. The metallic feet can be finished in a wide range of colours for easy integration in all kinds of spaces and projects.

DESIGNER: INCLASS Studio

The INCLASS design studio started its activity in 2005 with the aim of embedding and driving design in different areas of the company. Today the studio is made up of a cross-functional team which incorporates product designers, graphic designers, engineers and prototype technicians. Since then it has undertaken the overall design of numerous products and has developed the proposals of top external designers who usually work with our firm. The studio strives to ensure that INCLASS designs have a contemporary look, that at the same time are balanced, pure, elegant and timeless with a view to introducing collections that are always innovative, attractive and modern.

BASES AND COLUMN

The flat base is made from sheet steel. The raisable central column is fitted with height adjustment operated by a pneumatic elevation cylinder. The raisable tube of the column is finished in matt chrome. Optionally, the central column is produced in a fixed-height version. The base and column can be finished in all the metallic colours of the INCLASS sample book.

	Height	Width	Depth	Weight (kg)
 <p>NUM0010</p>	75 53	55	35	10,7
 <p>NUM0040</p>	75 53	40	40	8,6
 <p>NUM0050</p>	75 53	50	50	8,7
 <p>NUM0060</p>	75 53	60	60	8,8

METALLIC BASES

Standard

Black White Aluminium Chrome

Optional

Coffee brown Stone Light grey Rose Clay orange Mustard Water green Marine green Navi blue Sky blue Rust grey Rust brown

TABLE TOPS

Lacquered MDF tabletops:

They are manufactured in 22-mm MDF board lacquered with solvent-free eco-friendly lacquers in a triple-coat process. All edges are bevelled.

Natural oak Walnut stain Wenge stain Black stain

Table tops in FENIX NTM® HPL:

They are produced as a 12mm solid FENIX NTM HPL board. The tops made from FENIX NTM have a surface with low light reflectance. They are extremely opaque, are pleasantly silky to the touch, are fingerprint-resistant and, thanks to the nanoparticle technology with which they are produced, any micro-scratches are thermally self-healing.

Black

Lacquered MDF tabletops:

They are manufactured in 22mm MDF board lacquered with solvent-free eco-friendly lacquers in a triple-coat process. All edges are bevelled.

CERTIFICATION & STANDARDS

- AIDIMA Quality Control Label

- The INCLASS quality management system is certified in accordance with ISO 9001:2015 in all the design, manufacturing and sales procedures of its products.
- INCLASS production processes are certified according to environmental ISO 14.001:2015 quality standards and are carried out through the reduction of waste and energy consumption in order to minimise any impact on the environment.
- The wooden monoshells are produced from PEFC-certified wood.

WARRANTY

INCLASS MOBLES S.L. guarantees the products from the NUME collection against defective materials and workmanship for a period of 5 years from the purchase date. Any damage caused by misuse, negligence or accident as well as that arising from inadequate product maintenance is excluded from this warranty. Natural ageing and wear-and-tear of surface materials are also excluded. The establishment must demonstrate the date of purchase of the article with the corresponding invoice.

INCLASS will replace or repair any faulty products or parts free of charge and any further liability is excluded.
